Position Title: Junior Developer

Position Overview
As a Junior Developer, you will play an essential role in developing and maintaining cutting-edge web applications in the FinTech space. Reporting to the Chief Technology Officer, you will collaborate with cross-functional teams to design and deliver scalable, user-friendly front-end solutions. This position provides an opportunity to work with the latest front-end technologies, including React (v18), GraphQL, and TypeScript, while gaining experience in a fast-paced, innovative environment.

Responsibilities
- **Front-End Development:** Design, develop, and maintain responsive web applications using React (v18) and TypeScript.
- **API Integration:** Work with GraphQL to integrate back-end services seamlessly into the front-end.
- **Collaboration:** Partner with back-end developers, designers, and other stakeholders to ensure high-quality application performance and usability.
- **Code Quality:** Write clean, maintainable, and efficient code while adhering to best practices.
- **Debugging and Optimization:** Identify and resolve performance issues to ensure smooth operation.
- **Learning and Growth:** Stay informed about emerging trends and continuously improve skills in front-end development.

Qualifications and Skills
- At least one (1) year of professional experience in front-end development.
- Proficiency in React (v18) and GraphQL.
- Familiarity with JavaScript (ES6+), HTML5, and CSS3.
- Experience with version control systems like Git.
- Strong communication skills and ability to collaborate effectively in a team environment.

Preferred Qualifications
- Experience with TypeScript for enhanced front-end development.
- Bonus skills: Knowledge of react-router-dom, Vite, react-hook-form, or Chakra UI.
- Prior experience in FinTech development is a significant plus.
- Exposure to agile development methodologies.

Salary and Benefits
$65,000 - $75,000 per year, depending on experience and qualifications. Benefits include health, disability, and life insurance, retirement plan matching, paid time off, and professional development opportunities.

Location
This is a remote eligible position open to candidates **residing and authorized** to work in the United States.

How to Apply
To apply, please send your resume to careers@akoyaGO.com and specify the position in the subject line.
